

About the Author

Senthil

Nayaki

Natarajan

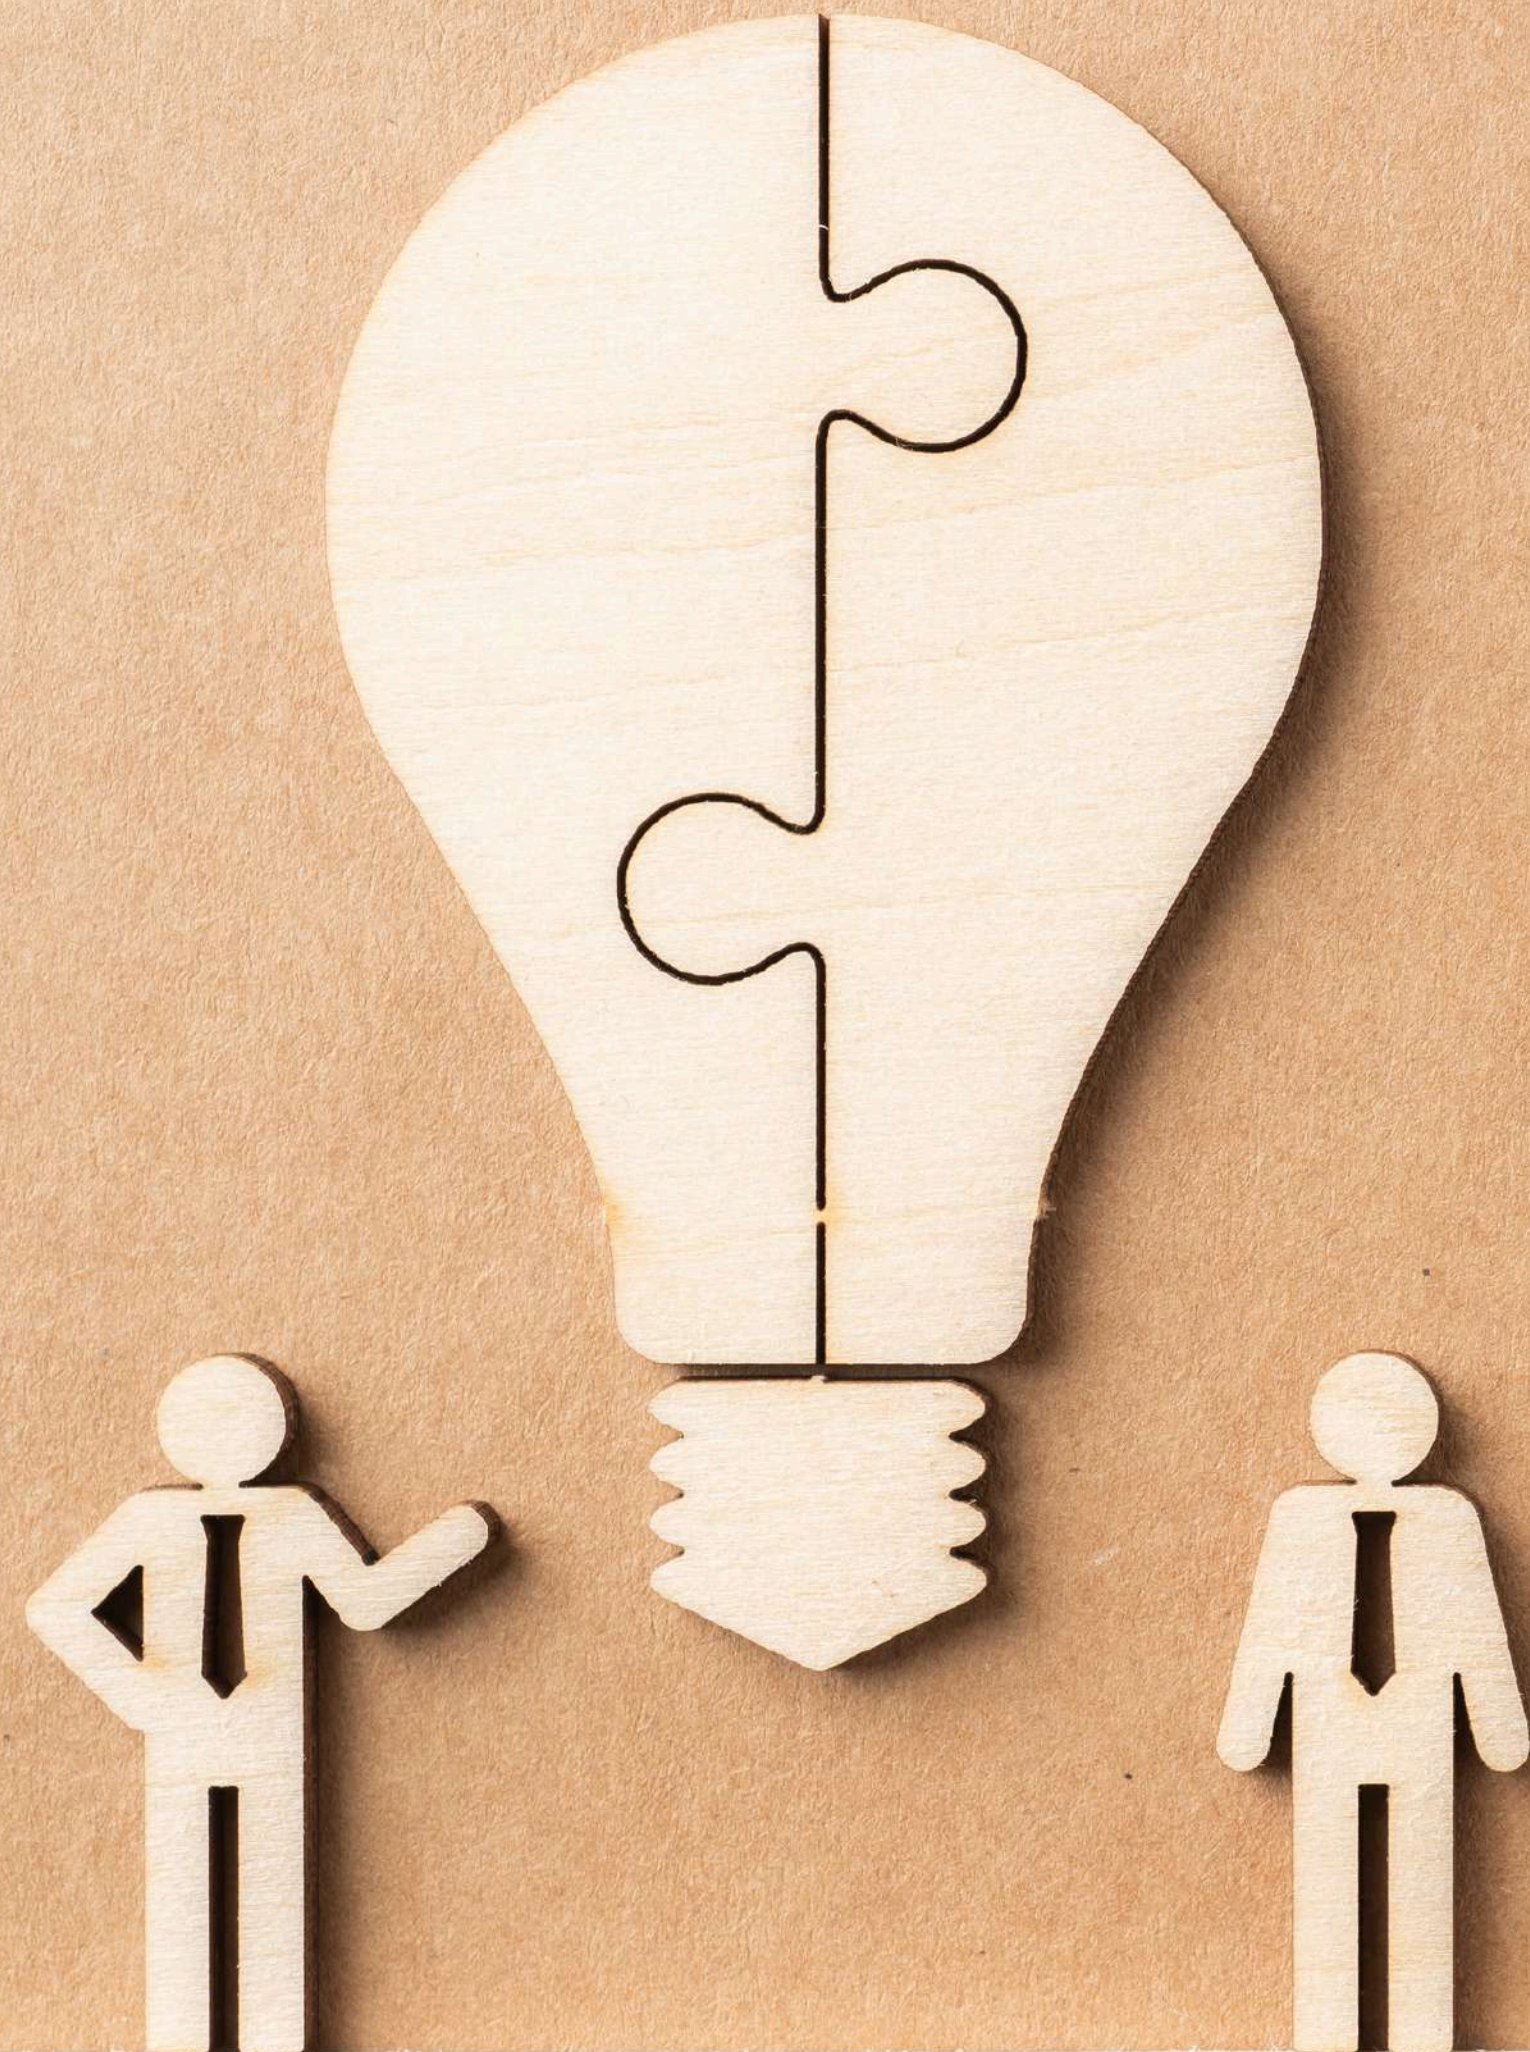

A long journey in a short intro

Born in 1984

Always curious about “How Learning can be Interesting” led her way to become a teacher in 2001. Right after her college, she realized, She is different from other teachers. She has unique way to identify the “NEED” and deliver with Outcome. This trait made her to lead the **“Training and development”** Team in corporates like Cognizant, HCL, Tata consultancy services, Aspire systems and more.....

A breakthrough

- While training the corporates she invented different techniques to implement the learning
- **Her invented techniques helped the working professionals to become effective in short span of time**
- Her 3i principle brought visual results in people

A Turning point

She started **her first company in 2014**,
Started her Second company – Corporate training
provider **Lernen in 2019**. Associated as **Training Head**
for “inlingua International”, in the process of training
the Trainers in international standard, She became
an **Author**.

Became an Author

Think and Speak in English is the first book ever written in India & in English history to think in English. She has explained untold logic to make any body fluent in English.

Her **untold logic** words in reverse as well. She has trained a **Britisher** to Think and Speak in Tamil in **just 8 hrs.**

Milestone

- Her book was launched in December 2023.
- Her book got recognized by BAPASI and exhibited in Jan 2024
- Sold 1st 1000 books by June 2024

Mission

- Set to meet 10,000 college students in TN
