OUR SERVICES:

Our service offerings include audit and assurance, tax and regulatory, corporate advisory and corporate financing for domestic and global businesses of all sizes. We offer a range of solutions which are ideal, practical, and innovative and at par with the best that our clients would expect.

1.Audit and Assurance

Our audit and assurances service offerings are based on a complete understanding of the clients' business specifics, industry peculiarities and the applicable laws. The audit approach is based on the compliance issues, the nature and requirement for audit, the clients' requirement and key risk issues involved. Our audit and assurance solutions range from statutory audits, internal audits, tax audits, management audits, etc.

2. Statutory Audits

We conduct statutory and regulatory compliance audits for filing of annual or periodic financial results. Statutory audits are aimed at achieving compliance with regulations, assessing the strength of controls, confirmation of accounting treatments of recorded transactions, independent review of reported information and preparation of accountants' report

3. Tax Audits

We annually serve our clients in area of tax audit under various provisions of the tax laws. Our clients are large, medium corporations and small businesses, partnership firms, non-profit organisations and high net worth individuals. The firm has dedicated audit teams which specialise in conducting the audits effectively and diligently.

4. Internal Audits

The internal audits are conducted with varying client requirements but essentially the objective thereof is to provide assurance on controls and processes. We also conduct risk based management audits and also help them in defining standard operating procedures.

Tax and Regulatory

Direct Taxes

1. Tax Strategy and Compliance

We have a responsibility to ensure that the clients' tax bill is optimised and they do not pay any unnecessary taxes. This involves a complete understanding of the ever changing tax laws which offer innumerable tax optimisation opportunities in the form of deductions, exemptions and claims for losses and expenses.

Our knowledge plays a pivotal role in tax planning, advisory and compliance services. Our regulatory compliance services ensure that the clients attain a high level of stringent tax law compliances.

2. Tax Representation

We provide representation services to client's ranging from assessment to administrative and appellate stages. We have competence and resources to serve clients at all levels of appellate stages ranging from Appellate Commissioners, Income Tax Appellate Tribunals.

3. Corporate Law Services

We offer corporate law and secretarial services in fields ranging from incorporation of corporate entities, assistance in maintaining prescribed records, convening and conducting meetings of the Board of Directors and shareholders, statutory filings with the MCA and advising and representing the clients incorporate litigation at Company Law Board matters through an in-house qualified company secretary.

4. Finance and Accounting Outsourcing Services

We offer accounting and related processes services to clients who either do not wish to create their own capabilities or are looking for competitive and professional solutions to their accounting and related processes. Our approach to outsourced assignments involves gaining a complete understanding of clients requirements which forms the bedrock of assignment implementation plan, designing process plan, assessing resource requirements, deploying adequate resources, performing the desired functions, constant monitoring by Team leaders, generating client deliverables and timely client reporting. All engagements are led by Audit Managers to ensure quality assurance.

5. Corporate Finance

We advise and help the clients' to raise the funds for their existing or new projects. In today's competitive world, business need funds to grow their business and take it to the next level. We assist the clients in getting finance from the banks according to their requirements.

6. Government Subsidy

We advise, educate and help the clients to avail the subsidy funds from Governments for their Business Expansions and for their new projects. Also helping new business startups in getting Government subsidy and bank loans.
